

## Sunscreen

Now that the weather is getting warmer and we are more "uncovered" during outside play, this is a good time to make sure that your child has plenty of sunscreen and that it hasn't passed its expiration date.

### Reminder about lunches

If you send a food item that needs to be heated up for lunch, please make sure it will not require more than 45 seconds to 1 minute to heat up. We can't get all of the lunches ready if some require 2-3 minutes to prepare. Thank you for your cooperation!

*A great toy is 90% child and  
10% toy.*

### Summer Attendance

Please let us know as soon as possible if your child will be taking all or part of the summer off. We have waiting lists for most of our classrooms and we'd like to welcome new children when a spot opens up.

Be assured that if your child is gone for the summer, we will have a spot available when you are ready to return!

# Lamb Chops

**This month, we will be talking about:**

Easter  
Where the Wild Things Are  
Weird Science  
Earth Day  
I Love My Friends

## **LSCC Easter Egg Hunt Thursday, April 1**

Have your child bring his/her  
Easter basket and we will hunt for  
eggs!

## **Questions to Ask Your Child About His Day**

Ask questions that elicit more than a one word response. Ask about things that are specific, but open-ended. Try these:

- Tell me about the best part of your day.
- What was the hardest thing you had to do today?
- Did any of your friends do anything funny?
- Tell me about what you read in class.
- Who did you play with today? What did you play?
- What rules are different at school than our rules at home? Do you think they're fair?
- Who did you sit by at lunchtime?
- Can you show me something you did today?

**Texas Rangers Opening Day**  
**Wear your Rangers shirt or something red or blue!**

## **Teacher Appreciation Week** **April 26-30**

Take a moment to say thanks to all the teachers in your life. They have a big impact on the future of our children and our world!
